I bought this band saw for re-sawing purposes and it delivers on all aspects. The factory blade was a little sub par but after installing a S40 blade, this saws power really shines. 12 inch wet black walnut logs are no match for this saw. Next up is a Grizzly thickness planer. Grizzly recommended that I drive to the UPS depot and have them load the saw onto my truck or pay Grizzly more money to get lift gate service. They also said I would have to acknowledge receipt of this message and make a decision on the extra charge before they would ship the order. Well that was a lot of BS! UPS was very helpful and provided lift gate service that delivered the saw into my Grizzly G0555 Bandsaw Review - Active Woodworking
