### **Introduction to Health Care Management Health Care**

One course director is a senior health care administrator and the other is an established health technology/management researcher. The 12 sessions over the semester cover a selection of the disciplines that underlie management of health institutions (economics, finance, marketing, etc.) and new biomedical enterprises. The subject material presented offers a mix of research findings and practical insights that emerge from experience in these settings.

### **An Overview of Health Care Management**

INTRODUCTION Any introductory text in health care management must clearly define the profession of health care management and discuss the major functions, roles, responsibilities, and competencies for health care managers. These topics are the focus of this chapter. Health care management is a growing profession with increasing opportunities in both direct care and non direct care
