Is Chinese the new second language for children to learn

Beste Antwort: I have a different view to this. Since Chinese is a difficult language to learn, then it is best to start learning it while at a young age. Spanish is not that hard to learn because it mostly shares the same common root as English (alphabet, word-likeness, etc..) In other words, it is not

Definition of Second Language Acquisition and Learning

Second language acquisition or SLA is the process of learning other languages in addition to the native language. For instance, a child who speaks Hindi as the mother tongue starts learning English when he starts going to school. English is learned by the process of second language acquisition. In fact, a young child can learn a second language faster than an adult can learn the same language.

What's the difference between a second and a foreign

In teaching, there is a difference between a second and a foreign language. Let s use English as an example, since I know that distinction is made. Teaching English as a Second Language (ESL) means the learners are in an English speaking country, but have not mastered English yet. English is used around them, so they get a lot of practical and real practice every day. Something that usually
