This is a photo of an antique sickle mower taken by a local aspiring photographer in the Diamond City area. Hopefully you can see the picturesque scene in the picture. The frame is 10 3/4" by 12 3/4" and the actual photo measures 5" X 7". The frame and matre alone should be worth the asking price, as they are brand new. Please email if interested and the picture can be dropped off in Lethbridge.
