[How I Successfully Trade Weekly Options for Income](#)
Weekly options have become a stalwart among options traders. Unfortunately, but predictable, most traders use them for pure speculation. But that's okay. As most of you know, I mostly deal with high-probability options selling strategies. So, the benefit of having a new and growing market of

[Our Approach to Day Trading SPY Weekly Options](#)
Our weekly options trading strategy allows us to make extremely profitable trades with only a single trade per day. We trade highly volatile and highly liquid SPY and SPX weekly options. The market was transformed a few years ago, with the introduction of weekly options.
[Trading Weekly Options For A Living - Implementing Strategies](#)

Trading weekly options for a living allows you to be a short term trader. Typically trading weekly options means you're making 4 trades a month. That might not sound like a lot but remember, you control 100 shares for every option you purchase. This definitely adds up. Depending on the companies you trade, the volatility can really help. Employing short term trading strategies is a big plus.
[Weekly Options Trading](#)

Expert weekly options trading alerts, proven strategies for today's markets. Stock options, derivatives of the underlying equity, are the focus from the weekly options list. Weekly options expiration occurs each Friday of the week. Option weeklys provide an opportunity for traders and investors alike. Investors may choose to buy or sell puts to protect a stock position. Fund managers may
[Trading Weekly Options - Theo Trade](#)
