[5 Tree Bench Plans](#) If you have an old stately tree in your landscaping, that has plenty of shade and makes the perfect spot to contemplate the world, you may want to consider building a tree bench. Always read the tree bench plans carefully and make sure that there is enough information provided for you to be able to complete the project - before you invest in materials.

[How to build a tree bench | KaBOOM! DIY play projects](#)

A tree bench also encourages a sense of community by creating a designated area for neighbors to gather together under a tree's natural shade. If you have small to medium-sized trees near your playground this may be the bench for you!

[Build a Hexagonal Tree Bench - Canadian Woodworking Magazine](#)

Every tree is a bit different, so support your bench as needed. In addition to the rear supports I added short (about 10" long) braces to the underside of the inner frame at the unsupported corners. If you wanted to go a step further, and protect the legs from coming into contact with water and rotting in the future, you could add an epoxy sealer on the lower ends of the legs, and possibly
