Has anyone ever written a book called Book Yahoo

i don't think anyone has written a book called "book". i'm not sure that i would want to read it, because if that's all the author could come up with for the title, the book may not be very interesting. i would have to read the summary and reviews before i acutally read the book.

The Book Of Secrets Who am I Where did I come from Why

The first DC book I've read. While there were some things that stood out to me, the flow of the writing and overall content of the book was not something I would go back and read over again anytime soon.

Ok I started to write the first chapter of a book I'm

Dunstan Dunstan was not what many people view as a respectable man. He was not reliable, and he was not at all trustworthy. He was quite irresponsible, and had a rather disturbing liking of other people s pain. He did not care if it was physical, or emotional. He could read the most sympathetic, and tragic book, and

hex Reading hexadecimal values from file and displaying

You'll notice that I've also added code to check that fread did actually read 16 bytes as expected. Also I've added code to check that the fopen call succeeded in opening the "key.hex" file. Also I've changed the fopen call to open the file in binary mode ("rb"), and delete the + modifier, which you probably don't want.
